

WHAT ELSE WOULD YOU LIKE TO TELL THE PLANNING TEAM?

✓ = Agree

Keep up the good work! ✓

Student housing should be deep to campus to preserve SLO neighborhoods ✓✓✓✓✓

Forget Armstrong's Event Center ✓ Ditto ✓

Student housing should accommodate all students - away from residential areas ✓✓✓

Ask yourself: would you want this in your own backyard? ✓✓✓ If so, how would you mitigate the noise/parking aspect? ✓✓

Where are the buffers proposed on the 2001 Master Plan? PLEASE include ✓

INCREASE FACULTY/STAFF PARKING IN CAMPUS CORE AND NEAR BUSINESS (BUS) ✓

GO TOBACCO FREE CAMPUS (like UC's) ✓

When you enter campus on Grand there should be an alumni center + info center. Look at Texas A&M's its amazing! ✓✓✓

Keep the community involved with advisory committee ✓✓✓

PLEASE CONSIDER PARKING & NOISE IMPACT ON ADJACENT NEIGHBORHOODS ✓✓

Do not put student housing near neighborhoods. Put it inside the campus away from family housing ✓✓✓

Please use new media: • FB • Twitter • etc... #MasterPlanCP ✓

Make sure all off-campus infrastructure improvements are provided to support adult student population ✓

Please consider locating the fraternities & sororities in a "row" on campus. ✓

Where are maps, etc. showing plan to date? ✓✓✓??

It would be great to let the local youth group use the Poly Campus for events ✓

Make building more on-campus housing. Students who rent off campus are pushing out families and detouring our neighborhoods ✓✓

Perhaps it is time to listen to a group community action that obviously does not offer a plan. How dare they justify their actions. We create the future we desire here! ✓✓

PAY ATTENTION TO COMMUNITY AND NEIGHBORHOOD INPUT. ✓✓

Provide more assistance to neighborhoods to control off-campus student behavior ✓

Build DORMS ✓

2014 12,313 STUDENTS NOT HOUSED ON CAMPUS ✓

ADEQUATE OFF-CAMPUS (AWAY FROM NEIGHBORHOODS) HOUSING SHOULD BE PROVIDED FOR THE 5000 STUDENT INCUBATOR ✓✓

Communicate & get the City Transit involved - students use the buses. ✓

Read the 1999 Neighborhood Task Force Recommendations for the Master Plan. They are applicable today + were ignored then. ✓

HAVE MORE RESPECT + CONSIDERATION FOR NEIGHBORHOODS SURROUNDING THE CAMPUS ✓✓

Academic Planning Update should be in place before Master Plan is done! ✓

create a fund to help poly professors finance housing in alternative neighborhoods help them with down payments ✓

SAFE, FREE transportation on/off campus to accommodate students + faculty DAY & NIGHT hours. ✓

What will you do to enhance the efficacy and efficiency of the water treatment system? ✓

How can Cal Poly become a for-um in the development of sustainable and environmentally conscious water treatment? ✓

Create a Neighborhood Stabilization Program to enable improved owner occupancy in SFD/PAI hood ✓
