

*Cal Poly Master Plan Update
Advisory Committee*

Circulation and Transportation

Meeting 4 January 23, 2014

8 - 9:45 am Room10-241

Note: We are back in the original room

AGENDA

- A. Welcome
- B. Review of Summary Notes from December 5 Meeting
- C. Update on the Process – Academic Plan
- D. Question for this session:

From the perspective of your master plan topic in particular (e.g., transportation and circulation), briefly identify what you believe is most important for Cal Poly to consider as the University thinks about increasing enrollment.

- E. Review of revised circulation and transportation principles based on committee's comments/recommendations.

Future Meetings:
